Bonus supplemental health insurance	SB
Supplemental health insurance Premium	SD
Supplemental health insurance Optimum	SO
Supplemental health insurance APEL	EL*
Supplemental insurance for special risks	SR*
VA supplemental insurance	VA*
Insurance Diversa	DV*

\* The following supplemental insurance products: EL / SR / VA / DV, are subject to specific conditions with regard to medical aids. On this basis, it is recommended to contact Groupe Mutuel for further information.

For SO supplemental health insurance, please also refer to the [List of other preventive measures](#).

The General Terms and Conditions for Supplemental Health and Accident Insurance (CGC), as well as the specific terms and conditions for the above supplemental insurance products, are authoritative. The specific terms and conditions also define the amounts to be paid according to the different levels.

## **1. Rental or purchase of medical aids supplemental to those covered by the compulsory health insurance coverage for costs exceeding the LiMA/MiGeL rate**

The amounts provided for by the above supplemental insurance products can be granted in addition to those provided for under compulsory health insurance for the medical aids and appliances included in the List of Medical Aids and Appliances (LiMA/MiGeL).

## **2. Rental or purchase of medical aids supplemental to those covered under AVS/AHV–AI/IV insurance**

- Insoles following a foot operation covered by the AI/IV insurance
- Tape recorders and listening devices for audio media
- Prosthetics
- Support and walking braces
- Body orthotics and cervical orthotics
- Orthopaedic shoes
- Hearing aids
- Batteries for hearing aids (through AI/IV insurance only)
- Facial epithetics
- Wigs
- Speech correction aids after a larynx operation
- Wheelchairs
- Medical aids for blind persons and strongly visually impaired persons (long/white canes for the blind, magnifying glasses)
- Crutches
- Walkers and ambulatory support systems (only by AI/IV disability insurance)
- Electric beds (only by AI/IV disability insurance)
- Protective helmets for people with epilepsy or haemophilia
- Protective knee and elbow pads for people suffering from haemophilia

## **3. Rental or purchase of the following medical devices**

- Blood pressure monitor
- Arch supports (except following foot surgery from 01.04.2022), insoles, heel-pads according to ASTO and/or OSM rates
- Walking aids (walker, rollator, walking stick)
- Wheelchair - rental during recovery and convalescence phase
- Orthopaedic pillows
- Bath and shower aids (bath board, bath seat, shower hand rail)
- Toilet chair (commode) and chamber pot
- WC booster seat
- Electric bed (only when AVS/AHV retirement age)
- Overhead suspension rod (bed-gallow), bed safety rails, bed assist bars
- Anti-bedsore mattress
- Bed cradle
- Helmet for plagiocephaly (flat head syndrome in babies)
- Electric breast pump – purchase (valid until 31.03.2020)
- Mandibular orthosis (for snoring, sleep apnea and bruxism (teeth grinding))

## **Comments :**

The refund of the above medical aids can be made only upon presentation of a medical prescription.

Any statutory cost-sharing amounts under compulsory insurance are not covered by supplemental insurance.

Orthopaedic equipment (insoles, shoes, braces, orthotics, etc.) shall be invoiced according to ASTO/SVOT and/or OSM rates.

According to the general terms and conditions for supplemental insurance (CGC), the costs of ineffectual, inadequate or uneconomical treatment are not covered.

This list may be subject to changes following medical advances, technical, scientific, economic developments or legislative changes.
