### **1. Medical costs in Switzerland (general ward)**

The cost of any necessary medical treatment, including tests and medicine (excluding LPPA/LPPV pharmaceutical products for special application), given or prescribed by medical practitioners (doctors, dentists and chiropractors), and the cost of treatment, room and board in the general ward of a Swiss hospital recognized by the Insurer.

### **2. Medical expenses for emergency treatment abroad**

The cost of necessary in and out-patient medical treatment, including tests and medicine, for accidents occurring abroad.

### **3. Home care and treatment**

Following hospitalisation, and by prior application to the Insurer, the cost of medically necessary home help hired from an official service. On the basis of the same tariff, a contribution may be allocated to one of the parents who suspends his or her professional activity to care for the insured.

### **4. Medical aids, appliances and patient-room furniture**

The cost of first purchase of prostheses, spectacles, hearing aids and orthopaedic aids, and the corresponding repair or replacement costs (new value) if such aids and appliances are damaged or destroyed during an insured accident which causes the insured a physical injury requiring treatment. Rental costs for patient-room furniture are also covered.

### **5. Transport, search and rescue expenses**

Following an accident, transport costs to the nearest hospital facility or doctor provided such transport is medically necessary. This contribution is only granted for transport by ambulance, helicopter or by a rescue action.

Public transport costs (bus or train) for outpatient treatment are also reimbursed if such treatment is designed to avoid hospitalisation.

The cost of unplanned search and rescue actions designed to save the life of an insured who is provably in distress or to avoid a rapid and significant aggravation of his condition.

### **6. Plastic surgery**

The cost of necessary plastic surgery operations in the case of accidents causing serious permanent disfigurement.

### **7. Supplementary benefits for accidents abroad**

- If the insured is hospitalised abroad and cannot be transferred to Switzerland on medical grounds, transport costs to the hospital for close relatives if hospitalisation lasts longer than three days.
- If the insured dies abroad, the cost of transporting the body, by normal airline or a special motor vehicle, to the deceased's domicile in Switzerland.

### **8. Remedial measures (catching up at school)**

If the insured is unable to attend school for over two months, the certified cost of remedial lessons given by a qualified, specially trained teacher.

In addition to the benefits enumerated in points 10.3.1 to 10.3.8 below, Acrobat level 1P covers the supplemental benefit contemplated in point 3.9 below.

– post-traumatic epilepsy with crises, or under permanent medication without crises	30%
– very serious logo-organic disorder, very serious motor or psycho-organic syndrome	80%
2. The total functional disability of a limb or an organ is equated with a total loss of that limb or organ.	
3. In case of a partial functional disability, the percentage is reduced proportionally.	
4. In cases not mentioned above, the degree of disability is determined in accordance with the scale of compensation for damage to integrity set out in Annex 3 of the Ordinance on Accident Insurance (OLAA/UUV) and the related SUVA tables. If the degree of disability cannot be determined in accordance with the above rules, it will be established by analogy on the basis of medical findings, taking into account the seriousness of the injury.	
5. If several organs or parts of the body are affected by the same accident, the relevant percentages will be added together. Notwithstanding, the degree of disability may not exceed 100%.	
6. Psychological disorders or disorders of the nervous system are not covered unless it can be proven that they are the result of an organic impairment of the nervous system caused by the accident.	
7. The degree of disability is fixed when the insured's condition is presumed to be final, but no later than 5 years after the accident.	
<b>d. Progression</b>	
1. If the degree of disability is lower than 25%, a percentage of the insured sum corresponding to the degree of disability is payable.	
2. If the degree of disability is higher than 25%, benefits (as a percentage of the contractual insured sum) will increase in accordance with the table in Annex A.	

#### Art. 12 Lump-sum death benefit

These benefits are granted to insureds with Acrobat level 1 or level 2 coverage.

1. If the insured dies as a result of the accident, a lump-sum death benefit of CHF 10,000 will be paid.
2. The beneficiaries are:
  - the insured's mother and father, in equal shares, or failing them:
  - his sisters and brothers, in equal shares, or failing them:
  - his grandparents, in equal shares.
3. If the insured has none of the above survivors, the Insurer shall only pay the portion of the burial costs which are not covered by another insurer up to the amount of the lumpsum death benefit indicated in point 1.
4. Any disability benefits already paid for the consequences of the same accident shall be deducted from the death benefits.
5. A beneficiary who deliberately causes the death of the insured forfeits his rights to benefits.

#### Art. 12 Lump-sum death benefit

These benefits are granted to insureds with Acrobat level 1 or level 2 coverage.

1. If the insured dies as a result of the accident, a lump sum death benefit of CHF 10,000 will be paid, with the exception of children under the age of 2 years and 6 months at the time of death, in which case the lump sum is limited to CHF 2,500.
2. The beneficiaries are:
  - the insured's mother and father, in equal shares, or failing them:
  - his sisters and brothers, in equal shares, or failing them:
  - his grandparents, in equal shares.
3. If the insured has none of the above survivors, the Insurer shall only pay the portion of the burial costs which are not covered by another insurer up to the amount of the lumpsum death benefit indicated in point 1.
4. Any disability benefits already paid for the consequences of the same accident shall be deducted from the death benefits.
5. A beneficiary who deliberately causes the death of the insured forfeits his rights to benefits.

#### Art. 13 Premiums waiver

1. The Insurer shall assume all periodic premium payments for the Acrobat insurance until the end of the contract (see Article 5) if, as a result of an accident which occurred during the validity of the insurance, one of the insured's parents dies or is declared more than 50% disabled.
2. The premium waiver starts on the first day of the month following the disability or death; a written waiver application must be filed with the Insurer together with the requisite official documents (decision of the AI/IV office, death certificate and family record booklet).

#### Art. 13 Premiums waiver

1. The Insurer shall assume all periodic premium payments for the Acrobat insurance until the end of the contract (see Article 5) if, as a result of an accident which occurred during the validity of the insurance, one of the insured's parents dies or is declared more than 50% disabled.
2. The premium waiver starts on the day following the occurrence of the disability or death; a waiver application must be filed with the Insurer together with the requisite official documents (decision of the AI/IV office, death certificate and family record booklet).

#### Art. 17 Premiums

1. Premiums are specified in the insurance policy.
2. Premiums are payable yearly in advance in Switzerland; by special agreement and subject to a surcharge for costs, premiums may also be paid in six-monthly, quarterly or monthly instalments.
3. Premiums are due for an indivisible month.

#### Art. 17 Premium

The premium is specified in the insurance policy.
